

Speirs and Major Associates
Lighting Architects

Caterina Colle BA, MA

Assistant Lighting Designer

Caterina studied Product and Lighting Design at the Politecnico di Milano and Rhode Island School of Design, Providence with a passion for art and creative design,

Caterina worked for two product designers during her studies and for a lighting manufacturer after graduating. During this time in practice she has worked on a variety of projects including offices, banks, hospitals and retail and shopping areas.

In February 2008 she joined Speirs and Major Associates where she has been working on projects in the both the UK and Europe.

Caterina is a keen artist for all forms of art, from painting and sculptures to photography and jewellery.
